

Competitive Network Innovation

Dave A Roberts, Technical Director

LCNI 2019

30th October 2019

What we do

Our products and services are **designed for owners and operators of power networks** to:

- Help keep the power safely on
- Allow network and equipment to be managed in a cost-effective way
- Prevent catastrophic failures and the subsequent financial losses
- Create clarity with asset investment decisions
- Ensure our customers benefit from leading edge technological advances

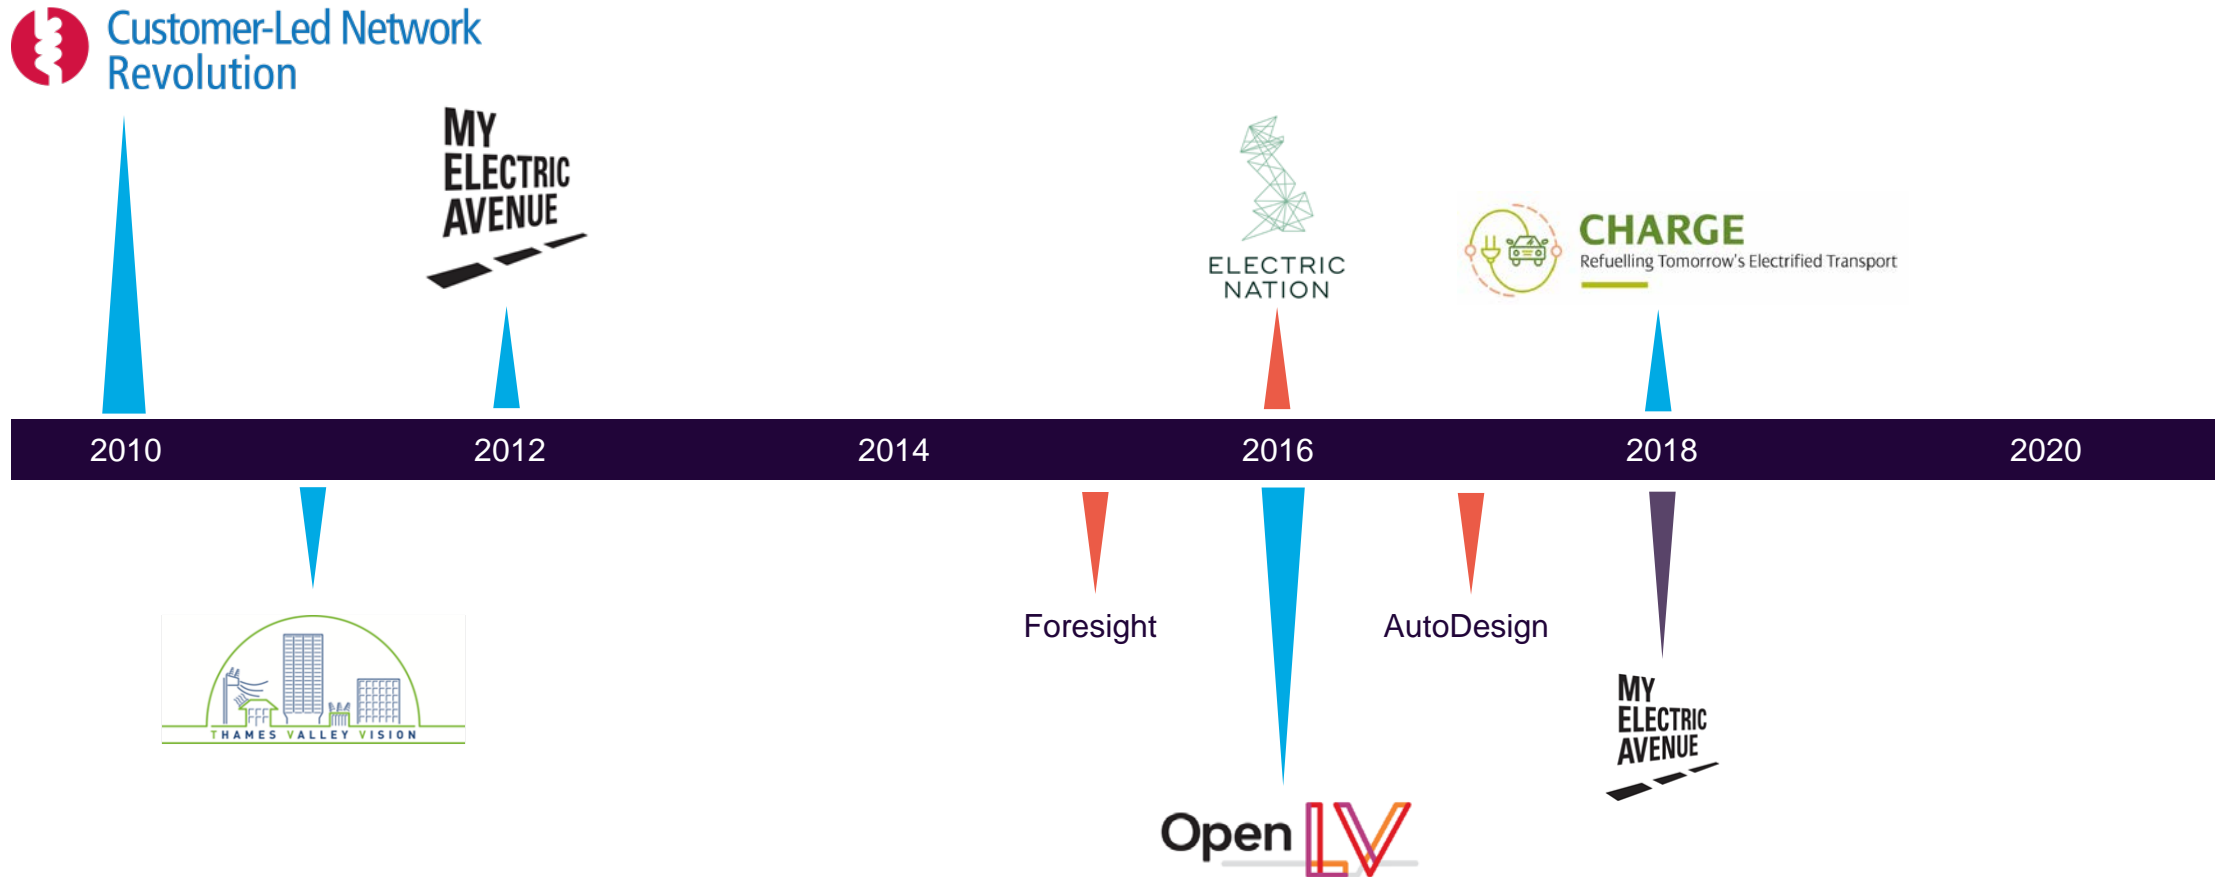

**Safer,
stronger,
smarter
networks.**

Project Successes

Showing project bid / award date

-  **Competitive funding** (LCN Fund Tier 2 / Network Innovation Competition)
-  **Allowance** (LCN Fund Tier 1 / Network Innovation Allowance)
-  **Second Tier Reward** (Exceptional Delivery)

Rule 1

Know why you are doing it
