

Energy Innovation Basecamp

– March 5th 2024

| | | | | |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------|----------------------------------------------------------------------|---------------------------------------------------------|
| 9:00am | Doors Open / Registration | | | |
| 10:00am – 11:00am | Welcome & SIF Round 4 Challenge Launch Speakers: Lawrence Slade, Jodie Giles, Luke Blackaby & Dan Clarke <i>International Suite, Floor 3</i> | | | |
| 11.00am | Break | | | |
| 11:15am – 12.15pm | Session 1 <i>Park Suite Floor 4</i> | Session 2 <i>Park Avenue Floor 4</i> | Session 3 <i>Senate Suite Floor 2</i> | Session 4 <i>Portland Suite Floor 1</i> |
| | EIP115 Recreating Load Diversity | EIP119 Flood Alarm Systems | EIP110 EV Fleet Charging in System Emergencies | EIP101 Automated Routing of Infrastructure |
| | EIP113 Market Data for Forecasting DN Loading | EIP126 Optimising Asset Replacement Timing | EIP108 Decarbonising Transport and Construction | EIP104 Enabling Plug and Play |
| 12:15pm – 1.15pm | Lunch and Network Exhibition <i>Restaurant Area, Floor 3</i> | | | |
| 1:15pm – 2.15pm | Session 1 <i>Park Suite Floor 4</i> | Session 2 <i>Park Avenue Floor 4</i> | Session 3 <i>Senate Suite Floor 2</i> | Session 4 <i>Portland Suite Floor 1</i> |
| | EIP130 Future of Energy Consumer Behaviour Changes | EIP123 Maximising Utilisation of the Transmission Network | EIP109 Digital Commissioning of Large-Scale Equipment | EIP106 Visual Impact of >132kV Assets |
| | EIP133 Equity in the Net Zero Transition | EIP120 HV Phase Connectivity | EIP112 Transport, Mobile Plant and Powered Equipment | EIP103 Modular Standardised BSP |
| 2.15pm | Break | | | |
| 2:30pm – 3.30pm | Session 1 <i>Park Suite Floor 4</i> | Session 2 <i>Park Avenue Floor 4</i> | Session 3 <i>Senate Suite Floor 2</i> | Session 4 <i>Portland Suite Floor 1</i> |
| | EIP118 Extending the Life of Assets | EIP124 Non-Technical Losses | EIP131 Improving Resilience for Vulnerable Customers | EIP100 AI for Connection Offers |
| | EIP127 Repurposing Assets | EIP128 LV Interventions | EIP129 Network Resilience under Increasing Electrification | EIP105 Standardised Major Project Connections |
| 3:40pm – 4:00pm | Reflections & Next Steps <i>International Suite, Floor 3</i> | | | |
