

**CAPACITY ALLOCATION MECHANISM (CAM)**  
**MARKET DEMAND ASSESSMENT**  
**FOR**  
**INCREMENTAL CAPACITY AT INTERCONNECTION POINTS**  
**19<sup>th</sup> June 2023**

Dear Industry Colleague,

In accordance with UNC European Interconnection Document (EID) section E 2.1 (Biennial Process), interested parties may submit demand indications for Interconnection Points to National Gas Transmission NTS for a window period of 8 weeks, starting from the date that the Annual Yearly Auction Opens.

Therefore, National Gas Transmission will publish on the 3rd July 2023 to all interested industry parties an Expression of Interest document to facilitate the submission of Market Demand Indication requirements for Incremental Capacity at Interconnection Points. Publications will be on our website at

<https://www.nationalgas.com/reserving-capacity-parca-and-cam>

The key dates for the Market Demand Assessment Process are as follows:-

Date	Activity
Expression of interest for Market Demand Indications document published	3 <sup>rd</sup> July 2023
Market Demand Indication Window Open	Duration 8 weeks
Market Demand Indication Window Closes	28 <sup>th</sup> August 2023
Market Demand Assessment Report published to Industry	no later than 23 <sup>rd</sup> October 2023

If you have any questions concerning the above, please contact Belinda Agnew using the details below.
